Muirhead Tower, Edgbaston Campus, University of Birmingham,
Edgbaston, Birmingham, B15 2TT

Suresearch Writers and Readers Group and Inpatient Care Forum meetings are generally held at Muirhead Tower.

Muirhead Tower is a tall brutalist style concrete building on the Pritchatts Road side of the main Edgbaston campus, overlooking the new central grassed area. It is building R21 in the red zone on the University maps, which you can download at <https://www.birmingham.ac.uk/visit/maps-and-directions.aspx>

There is a flight of steps up to the main entrance, but there is a lift at the side of the building, which you can reach by walking to the left of the staircase.

Once you have reached the main foyer walk over to the “Lift Lobby”. You need to select which floor you want on the display before going to the lifts. This display will tell which lift to take.

The first digit of the room number for the meeting indicates which floor it is on. For example, room 431 is on the fourth floor.
